### **Forward-looking statements**

This presentation contains forward-looking statements. All statements that are not historical facts, including statements about our intentions, belief, expectations or predictions for the future, are forward-looking statements.

The reliance on any forward-looking statement involves risks and uncertainties, and although we believe the assumptions on which the forward-looking statements are based are reasonable, any or all of those assumptions could prove to be inaccurate and as a result, the forward-looking statements based on those assumptions could also be incorrect.

We undertake no obligation towards such forward-looking statements contained in this presentation and strongly recommend the reader to do its own detailed investigation before coming into any type of conclusion.
